QUANTUM® GOLD COIN DROP INSTALLED, PREP FOR COIN, PREP FOR CARD
COMMERCIAL REAR CONTROL FRONT LOAD WASHER

Built for Reliable Performance

Engineered and built like no other, the Speed Queen front load washer is designed to be everything people thought a washer couldn’t be, beginning with its revolutionary suspension and sensing technology. This groundbreaking innovation manages and redistributes out-of-balance loads to deliver uninterrupted cycles, virtually eliminate vibration and operate so quietly neighboring residents won’t even know it’s running. It also touts an incredible 440 G-Force extraction speed to maximize moisture removal, reduce dry times and minimize utility costs. And as if that’s not game-changing enough, this smooth-running, laundry-optimizing machine delivers increased water efficiency. It’s everything you never knew it could be.

- Revolutionary balancing technology
- Industry leading 1200 RPM spin speed exerts 440 G-force extraction
- Integrated meter case
- Extra-wide 15.5˝ door opening and 180° door swing
- Rugged suspension system
- Easy-to-read digital display
- Large capacity meter case standard
- Multi-level vend pricing
- Individual cycle modifier keys
- Durable stainless steel tub standard
- Four-compartment soap dispenser
- Wash Alert™ capability

The cutting edge Quantum control system from Speed Queen gives you the freedom to manage laundry your way with the power to achieve unmatched levels of revenue. Quantum Gold provides users with additional cycle choices while offering new options to help lower operating costs and incorporates tools and options to increase revenue.
