

# Laundry Room SOCIAL DISTANCING

During the coronavirus (COVID-19) outbreak, please adhere to these laundry room social distancing practices:

- If you are experiencing symptoms of respiratory illness including fever or cough, please do not enter.
- Limit the number of people in the laundry room at one time.
- While in the laundry room, keep a six-foot distance between you and others.
- Limit laundry room visits to the loading and unloading of washers and dryers only.
- Please wait outside the laundry room or in your home while the wash and dry cycles are in progress.
- Fold clothes in the comfort of your own home and NOT in the laundry room.
- Request service online at [wash.com/service](https://wash.com/service) or through the WASH-Connect mobile app.

Thank you for your cooperation. Together we can help control the spread of this virus.
