

The WASH Digital Laundry Room

Mobile App+Card Bundle

Mobile Plus Contactless Laundry Card Payment with the Option of Connectivity

With the WASH digital laundry room mobile app+card bundle, residents get their choice of easy-to-use mobile or laundry card payment, plus you get the option of network connectivity and cloud-based monitoring.

WASH-Connect Mobile Pay and Laundry Card

Mobile App and Laundry Card Payment – Residents can pay using the free WASH-Connect mobile app, available for Android or iPhone, or with a contactless laundry card.

CleanPay Credit Kiosk – Laundry cards can be purchased and reloaded at a convenient CleanPay credit kiosk (requires modem/landline). The kiosk accepts credit/debit and EMV chip. Residents also can purchase a code online and redeem at the kiosk.

CleanReader Surface – Secure contactless card readers are installed on the washers and dryers for fast accurate payment with built-in Bluetooth for use with the WASH-Connect mobile payment app and laundry cards.

Service Request – Easily create, submit and get confirmation of service requests right from the app.

Revenue Uptick – Mobile pay drives more laundry room income.

Security – No point of insertion or coin drop for vandals; removes cash from the laundry room. For mobile payment, no personal credit card data or numbers are stored in the app.

Regular App Updates – Optimizes ease of use and continually improves functionality.
