

# Pay at the machine!

3 Convenient ways to pay

## Mobile Pay with WASH-Connect App

After loading your laundry, select your temperature / soil / fabric settings

Search and select your desired machine

Press START on the machine and confirm payment on the app

## Credit / Debit

After loading your laundry, select your temperature / soil / fabric settings

Insert credit or debit card

Press START

When selecting this payment option, your credit/debit card will be pre-authorized for \$8.00. After three hours, you will be charged the exact amount of your laundry. However, it may take 24-72 hours for your card issuing bank to settle the transaction.

## Contactless Laundry Card

After loading your laundry, select your temperature / soil / fabric settings

Hold laundry card next to the reader until PRESS START appears

Press START
