

LG COMMERCIAL LAUNDRY TOP LOAD WASHER

- Professional Grade Technology
- Comprehensive 3year Warranty
- 4-Way Agitator

GYRO BALANCING SYSTEM

3-D Gyro System keeps loads in balance so they are completed in less than 29min. Our Gyro Balancing System provides optimized performance by using an advanced algorithm that allows for errorless spinning and on time cycle completion.

INVERTER DIRECT DRIVE™ MOTOR

Our Inverter Direct Drive™ Motor has no belts, which cuts down on maintenance calls and extends the life of the product.

TURBOWASH 3D

TurboWash expedites the cleaning process to maximize profits. Turbo Wash 3D gets clothes cleaner faster and saves money on your utility bills

FRONT SERVICE PANEL

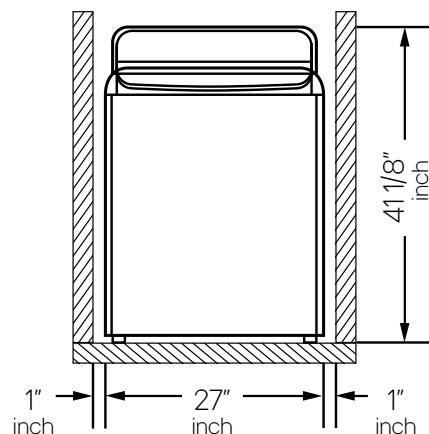

We know servicing and maintaining your fleet takes time and money, so we added a removable Front Service Panel that lets you get inside the washers quickly without having to uninstall them. Pump is located in front for easier access.
